ITMD 2020 Workshop

Logistics

Due to the COVID-19 virus the Workshop will no longer be held in Warm Springs but will instead be through remote access. Currently (could change weekly) CRITFC is on mandatory telework with no outside guests to attend in-house meetings or having in-person meetings in general until April 15th. Our member tribes are also restricting activities of staff to keep them safe. Please do not meet in groups, if you feel unsafe or it is against your workplace policy, to attend the Workshop remotely. Hopefully, everyone will be able to attend remotely from your homes or offices.

Meeting Room

Wana Room at CRITFC – the use of this room and meeting in-person for those in Portland, assumes that by April 15th we are allowed to come back to the office.

GoToMeeting

We will be using GoToMeeting screen sharing and conference line for the two-day (morning) Workshop. **Please note that links and call in numbers are different on each day.**
